**Notice FI-2438**

**For:** State and County Offices

**Accepting CCC-36 That Designates Multiple Programs or a Multi-Year Program**

**Approved by:** Deputy Administrator, Management

---

**1 Overview**

**A**

**Background**

In the past, most programs of FSA and CCC were single-year. Since the Federal Agricultural Improvement and Reform Act of 1996 enacted the multi-year PFC, FSA/CCC modified its policy and procedures to require the producer (assignor) and/or an assignee to specify the years and determine or estimate the dollar amount for each year's benefits. However, State and County Offices' operational procedures do allow the producer to use one CCC-36 to designate multiple programs.

**B**

**Purpose**

This notice provides instructions to State and County Offices on accepting CCC-36 that designates multiple programs or a multi-year program.
